DECORION -QKRMC Decorative Ring Mesh

Decorion - QKRMC Decorative Ring Mesh is a flexible decorative ring mesh curtain made from high-quality stainless or carbon steel rings. It enhances interiors with texture, light, and spatial flow. Ideal for walls, ceilings, or partitions, it brings refined industrial elegance to modern residential and commercial spaces.

Decorion - QKPMC Decorative Ring

The Decorion QKPMC Decorative Ring Mesh Curtain is crafted from interlinked stainless or carbon steel rings, offering strength with design flexibility. Its flowing structure adds depth, light reflection, and spatial separation—perfect for modern interiors. This mesh is ideal for use as wall cladding, ceiling features, room dividers, or facade panels. It enhances residential and commercial environments by allowing natural light and air to flow through, preserving openness while creating visual interest. With its blend of durability and elegance, the QKPMC is a favorite among designers seeking to introduce movement, transparency, and industrial sophistication into contemporary architectural spaces.

Installation Detail

The Decorion QKRC Decorative Ring Mesh Curtain is easy to install and suits a variety of spaces. It can be mounted to ceilings, walls, or door frames using a track system, rod, or hook. The Decorion QKRC Decorative Ring Mesh offers diverse application scenarios, each yielding a unique visual effect. Its patterns include a dense, interlocked design resembling classic chainmail, a more open geometric openwork, and a fluid ring interlock.
