SPIRALORA -QKMCD Metal Mesh Curtain

Spiralora - QKMCD Metal Mesh Curtain is a modern and flexible decorative curtain. It adds artistic flair and lightness to interior and exterior spaces. Whether it's a luxury hotel, a trendy loft, or a modern showroom, this metal mesh curtain brings a mix of elegance and industrial charm.

Spiralora - QKMCD Metal Mesh Curtain

The Spiralora QKMCD metal mesh curtain is a modern and flexible decorative solution that adds artistic flair and lightness to both interior and exterior spaces. Ideal for luxury hotels, lofts, and showrooms, it blends industrial charm with elegance through its unique spiral weave made from stainless steel, aluminum, copper, or brass. The open, hollow-out design allows for light diffusion and movement, creating a striking ripple effect. Available in natural metallic tones and custom finishes like bronze, ebony black, and purplish red, Spiralora pairs beautifully with materials such as glass, wood, or concrete, offering a perfect balance of functionality and contemporary appeal.

Finishes

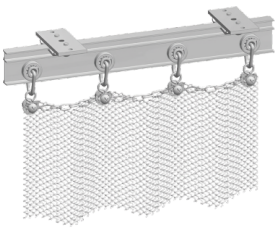

Spiralora offers a rich spectrum of finishes, from classic metallics like Bronze, Copper, Silver, and Gold to refined tones such as Rose Gold and Champagne. Bold colors like Black, White, Grey, Blue, Pink, and Red bring a modern, vibrant edge. Each finish is designed to enhance light, texture, and depth, complementing materials like glass, wood, and concrete.

Installation Detail

Spiralora QKMCD metal mesh curtains support multiple installation methods to suit diverse architectural needs. Mounting options include pipe mounting, straight fix, curved rail fix, angle fix, avenue fix, beam fix, tube fix, and vise fix. These flexible solutions allow the curtain to be seamlessly integrated into ceilings, walls, or open spaces—whether as straight panels or flowing curves—ensuring both functionality and design freedom.
