23 VITRALIS -VGB Venetian Glass Brick

VITRALIS - VGB - Venetian Glass Brick merges traditional Venetian glass artistry with modern form. Offered in polished, natural, and frosted finishes, and colors like Aquamarine and Emerald Green, it enhances interiors with brilliance and elegance. Ideal for partitions and feature walls in both residential and commercial spaces.

Vitralis - VGB

Venetian Glass Brick

The Vitralis VGB Venetian Glass Brick is brings the timeless elegance of Venetian glassmaking into contemporary architecture. Inspired by Venice's rich artisan heritage, these decorative glass bricks offer superior clarity, radiant color, and elegant form. Available in polished, natural, and frosted finishes with shades like Aquamarine, Blue Sapphire, and Emerald Green, they reflect and diffuse light beautifully. Designed for freestanding, non-load-bearing walls, Vitralis VGB is perfect for partitions, feature walls, and luxury interiors in both residential and commercial spaces. Their sturdy construction ensures durability while adding luminous sophistication and spatial enhancement.

Installation Detail

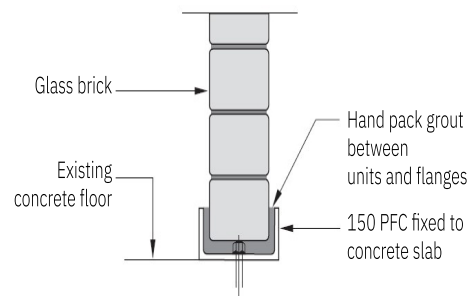

Vitalis - VGB Venetian Glass Brick mix Mortex with water and 1 kg of Weldcrete per 20 kg bag to form a thick paste, and use within three minutes. Apply the mortar with a trowel, maintaining joint thickness below 10 mm. Lay the bricks in a stretcher bond pattern, wiping off excess mortar immediately with a clean, damp cloth. Avoid using any acid-based cleaners during the process.
