24 FORMAVOX -51MO Modern 3D Wall Tiles

FORMAVOX-51MO Modern 3D Wall Tiles are crafted from Ultra-High Performance Concrete (UHPC) to deliver sculptural depth and durability. Featuring bold grooves and available in matte or metallic finishes, these tiles are ideal for feature walls in residential and commercial spaces, adding modern texture and lasting elegance.

Formavox-51MO

Modern 3D Wall Tiles

The Formavox -51MO -Modern 3D Wall Tiles redefine wall surfaces with bold sculptural grooves and the strength of Ultra-High Performance Concrete (UHPC). Designed for both residential and commercial interiors, these precision-molded tiles offer long-term durability and artistic visual depth. Available in two styles—Style A and Style B—they can be arranged to create dynamic, rhythmic wall patterns. Choose from matte or metallic finishes to match your design mood, whether subtle or striking. With easy installation and minimal maintenance, Formavox 51MO is ideal for feature walls, accent areas, hotel lobbies, retail stores, or modern home interiors seeking texture, structure, and timeless
