31 FORMAVOX -58NO 3D Textured Tile

FORMAVOX-58NO 3D Textured Tile showcases a bold star-inspired design crafted from ultra-high-performance concrete. Lightweight yet durable, it enhances walls with dynamic shadows and modern elegance. Available in matte and metallic finishes, these tiles suit residential and commercial interiors as well as exterior architectural applications, making them ideal for standout feature walls, accent surfaces, facades, elevations, and contemporary outdoor spaces.

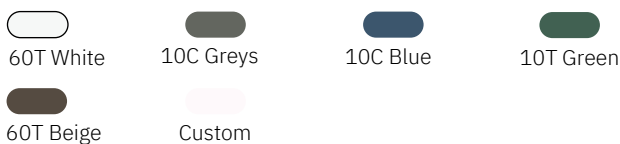

Formavox-58NO 3D Textured Tile

The Formavox-58NO 3D Textured Tile brings bold geometry and dynamic depth to modern interiors and exteriors. Featuring a star-inspired design, these ultra-high-performance concrete tiles create striking light and shadow effects on any wall surface. Lightweight, durable, and easy to install, they are ideal for both residential and commercial applications. Available in matte or metallic finishes, FORMAVOX-58NO enhances living rooms, bedrooms, hotel lobbies, retail stores, office interiors, exterior façades, elevations, entrance walls, and architectural outdoor spaces. Precision-molded for a seamless fit, these tiles combine artistic flair with long-lasting performance, making them perfect for accent walls, feature walls, and statement exterior surfaces.
