# Formavox-55AR Feature Wall Tiles

The Formavox-55AR - Feature Wall Tile combines sculpted groove detailing with the strength of ultra-high-performance concrete to create walls that are as durable as they are visually captivating. Its refined surface interacts with light to cast dynamic shadows, adding depth and movement to interiors throughout the day. Designed for versatility, it suits residential, commercial, and hospitality environments—perfect for feature walls, accent areas, and decorative cladding. Lightweight and low-maintenance, the 55AR tile is available in matte and metallic finishes with a palette of modern colors, allowing designers to achieve both subtle elegance and bold statements with ease.
