32 FORMAVOX -59SU Geometric Wall Tile

FORMAVOX-59SU Geometric Wall Tile features a modern triangular 3D design that adds depth and elegance to any wall. Crafted from ultra-high-performance concrete, it is lightweight, durable, and easy to install. Available in matte or metallic finishes, it's ideal for feature walls in residential and commercial spaces.

Formavox-59SU

Geometric Wall Tile

The Formavox-59SU - Geometric Wall Tile combines clean lines with sculptural depth to transform ordinary walls into standout features. Its modern triangular 3D pattern plays beautifully with light and shadow, creating a refined yet dynamic surface. Crafted from ultra-high-performance concrete (UHPC), each tile is lightweight, durable, and precision-molded for easy installation. Available in matte or metallic finishes and stylish tones such as White, Brown, Brick, and Green, the 59SU tile adapts effortlessly to residential interiors, hotel lobbies, office walls, and retail environments. Whether arranged in uniform layouts or mixed color patterns, it delivers a versatile solution for elegant feature and accent walls.
