Patterned Breeze Blocks

Structura SDC02 Patterned Breeze Blocks are crafted from high-grade concrete and precisely moulded for uniform dimensions of 200 × 200 × 60 mm, ensuring easy installation and a flawless finish. Their durable composition resists weathering, making them ideal for long-term indoor and outdoor applications. The tactile yet smooth surface allows them to integrate beautifully with wood, stone, or metal, while the patterns transform plain walls into striking architectural statements. Available in Grey, White, and Custom Colors, they adapt seamlessly to a wide range of design styles, from minimalist to tropical.
