STRUCTURA -SDC01

Cement Breeze Block

STRUCTURA-SDC01 Cement Breeze Block blends timeless aesthetics with practical function, making it ideal for façades, decorative screens, and ventilated walls. It enhances spaces by allowing light and air to flow freely while maintaining privacy and shade, perfect for residential, commercial, and hospitality settings.

STRUCTURA-SDC01

Cement Breeze Block

Structura SDC01 Cement Breeze Block is crafted from high-grade cement and fine aggregates, offering outstanding strength, durability, and a refined surface finish. Its precision-molded form ensures crisp edges, uniform dimensions, and hassle-free installation. Designed with multiple pattern options, it elevates both function and style, enabling natural airflow and light while maintaining privacy and shade. Perfect for façades, partitions, and ventilated walls, it adapts seamlessly to modern, traditional, and tropical-inspired designs, making it a versatile choice for diverse architectural concepts.
