STRUCTURA -SDK01

Mid Century Cement Block

STRUCTURA-SDK01 Mid Century Cement Block bring a perfect balance of style, strength, and function. Featuring bold geometric patterns inspired by mid-century design, they create captivating light-and-shadow effects while ensuring ventilation and privacy. Ideal for interiors, garden screens, feature walls, and outdoor partitions, these blocks offer durability with low-maintenance performance.

STRUCTURA-SDK01

Mid Century Cement Block

Structura SDK01 Mid Century Cement Blocks are crafted from high-grade cement and fine aggregates, delivering exceptional strength and weather resistance. Precision moulding ensures crisp edges and uniform dimensions, making installation seamless. Their geometric cutouts allow natural light and airflow, transforming plain walls into dynamic architectural features. Perfect for both residential and commercial projects, they add texture, depth, and visual interest while withstanding the demands of outdoor and indoor environments. The tactile surface finish integrates effortlessly with a variety of materials, from wood and metal to stone and glass.
