STRUCTURA -SDK02

Mid Century Cement Block

STRUCTURA-SDK02 Mid Century Cement Block combine mid-century inspired style with modern performance. Their bold geometric patterns create captivating light-and-shadow effects while ensuring ventilation and privacy. Perfect for interiors, garden screens, feature walls, and outdoor partitions, they deliver both visual impact and functionality for residential and commercial spaces.

STRUCTURA-SDK02

Mid Century Cement Block

Structura SDK02 Concrete Breeze Blocks are crafted from high-grade concrete, offering exceptional structural strength, weather resistance, and longevity. Precision moulding ensures crisp edges and uniform dimensions of 200 × 200 × 100 mm, making installation straightforward and precise. The open geometric forms allow natural light and airflow, transforming walls into dynamic design elements. Available in Grey, White, and Custom Colors, these blocks adapt to a wide range of design themes. Whether enhancing a minimalist façade or adding patterned screening to an outdoor lounge, they bring depth, rhythm, and architectural character to any project.
