35 FORMAVOX -62TR Textured 3D Wall Tile

FORMAVOX-62TR Textured 3D Wall Tile features a bold geometric design that adds depth and modern elegance to interiors. Available in matte or metallic finishes, its large-format, sculptural surface transforms walls into striking focal points—perfect for feature walls, lobbies, boutiques, and more.

Formavox-62TR

Textured 3D Wall Tile

The Formavox-62TR tile redefines wall design with its dynamic three-dimensional geometry and tactile finish. Crafted from ultra-high-performance concrete, it offers exceptional durability while maintaining a refined, architectural look. Its large format and bold texture interact with light and shadow, creating a lively, ever-changing visual effect. Suitable for both residential and commercial spaces, it enhances interiors with dramatic impact and contemporary style. The choice of matte or metallic finishes ensures versatile design integration, whether aiming for a sleek modern aesthetic or an industrial-inspired statement wall.
