Installation Detail

The ORNVITRUM-YZ0MDCGB Modern Decorative Curved Glass Block are installed as a suspended feature using ceiling-mounted stainless-steel cables or rods. Each glass panel is fitted with a secure, custom metal clamp or drilled suspension point. The installer fixes the hardware to a reinforced ceiling frame, ensuring weight distribution and alignment. Spacing is adjusted to create a floating visual effect. After positioning, all connections are tightened and checked for stability, vibration resistance, and level accuracy to ensure a safe and
