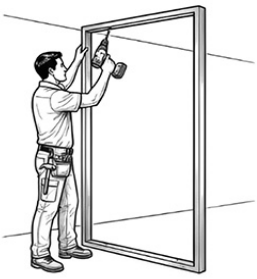
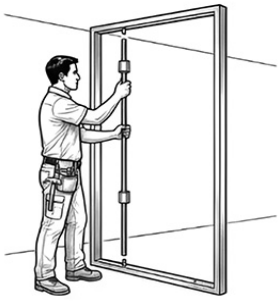
Installation Detail

ORNVITRUM YZ0CDHGB Colored Decorative Hanging Glass Block secure the main metal frame firmly to the floor and ceiling using appropriate anchors, ensuring it is level and properly aligned. Install the first vertical rod with spacers positioned accurately within the frame. Slide each glass block panel carefully into place between the rods, maintaining uniform spacing. Continue installing remaining rods and panels sequentially. Tighten all connectors and fasteners securely to complete the final assembly and ensure structural stability.



1. Secure Main Metal Frame to Floor and Ceiling



2. Install First Vertical Rod with Spacers

3. Slide Small Glass Panels in Place & Install Next Ro

4. Tighten all Connections for Final Assembly
