ACUFORMS -CFMH3DW5 3D Water Flow Acoustic Panel

ACUFORMS-CFMH3DW5-3D Water Flow Acoustic Panel A combine sound control with modern design. Made from 100% polyester fiber, these panels reduce noise and echo while adding a stylish 3D texture. Lightweight and easy to install, they are ideal for homes, offices, and commercial interiors

Acuforms-CFMH3DWS

3D Water Flow Acoustic Panel

ACUFORMS CFMH3DWS 3D Water Flow Acoustic Panels are designed to improve sound quality while enhancing interior aesthetics. Made from eco-friendly 100% polyester fiber, these panels are formed using high-temperature pressing to create a durable and seamless 3D structure. The flowing water-inspired design adds depth and movement to walls, making them ideal for modern interiors. In addition, their internal cavity structure helps absorb sound, reduce echo, and control noise effectively. Suitable for residential and commercial spaces, these panels offer a perfect balance of performance, style, and easy maintenance.

CFMH3DW5

Available in Multiple Colors

Custom Color Selection

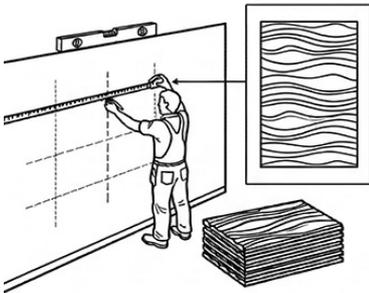

Customize your ACUFORMS CFMH3DW5 3D Water Flow Acoustic Panels with your preferred color selection. Choose from a wide range of shades to achieve perfect design harmony, enhance interior aesthetics, and create bold, modern acoustic wall features. These customizable panels are ideal for adding both visual impact and effective sound control in residential and commercial spaces.

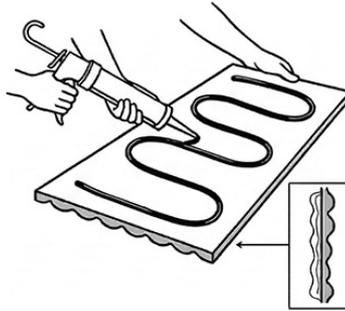

Installation Detail

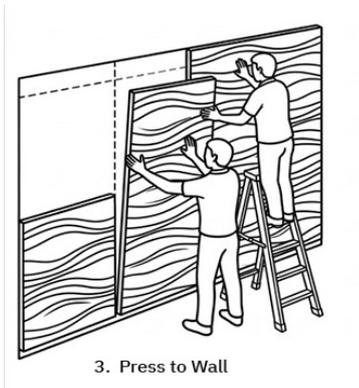

ACUFORMS CFMH3DW5 3D Water Flow Acoustic Panels can be installed using adhesive, nails, or a combination of both. Begin by cleaning the wall surface and marking reference lines for correct alignment. Apply construction glue evenly on the back or place nails through the panel into the substrate. Press firmly to ensure full contact. Panels can be trimmed or shaped using standard cutting tools for corners, joints, or custom layouts. Allow proper curing time for secure and long-lasting installation.

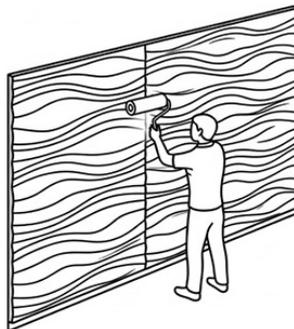

1. Prepare Wall and Panel

2. Apply Adhesive Gum

3. Press to Wall

4. Roll to Secure Panels
