Leafvein Decorative Laminated Glass Panel GLASMETRA -CFLVDLGP

Leafvein Decorative Laminated Glass Panel-GLASMETRA- CFLVDLGP features a nature-inspired leaf vein design encapsulated within 6mm + 6mm laminated safety glass. Ideal for interior partitions, feature walls, and decorative cladding, it combines elegant aesthetics, durability, privacy, and light transmission for modern commercial and residential spaces.

Glasmetra-CFLVDLGP

Leafvein Decorative Laminated Glass Panel

Branchy Decorative Laminated Glass Panel GLASMETRA CFLVDLGP brings organic beauty and architectural sophistication to interior spaces. Crafted with 6mm + 6mm laminated safety glass, it features a decorative leaf vein interlayer that creates a unique visual texture while allowing natural light to pass through. Suitable for feature walls, glass partitions, reception areas, hospitality projects, retail interiors, and luxury residences, the panel enhances both aesthetics and functionality. Its durable laminated construction provides safety, easy maintenance, and long-lasting performance in modern interior environments.
