Laminated
Glass Panel
**GLASMETRA
-CFCDLGP**

Caney Decorative Laminated Glass Panel-GLASMETRA-CFCDLGP combines the timeless beauty of woven cane with premium laminated glass technology. Featuring a decorative cane interlayer, it adds warmth, texture, and elegance to interiors. Ideal for feature walls, partitions, doors, and decorative screens in hospitality, commercial, retail, and residential spaces.

Caney Decorative Laminated Glass Panel Glasmetra-CFCDLGP

Caney Decorative Laminated Glass Panel-GLASMETRA-CFTDLGP brings the classic charm of woven cane into modern interiors through advanced laminated glass technology. The decorative cane interlayer creates a refined textured appearance while allowing light to flow through the space. Designed for both style and performance, the panel offers enhanced safety, durability, and easy maintenance. Available in five premium finish variants, it is ideal for decorative partitions, feature walls, room dividers, doors, reception areas, hospitality projects, retail spaces, offices, and luxury residential interiors where timeless design meets everyday functionality.
