Teal Purple Fluted
Glass Panel
GLASMETRA
-CFT-PFGP

Teal Purple Fluted Glass Panel GLASMETRA-CFT-PFGP is a premium decorative laminated glass panel featuring a striking teal-to-purple ombre finish with precision fluted texture. It enhances privacy while allowing natural light to flow, making it ideal for partitions, feature walls, doors, façades, and luxury interior glass wall panels.

Teal Purple Fluted Glass Panels Glasmetra -CFTPFPGP

Teal Purple Fluted Glass Panel – GLASMETRA CFTPFPGP combines modern design with outstanding performance. Manufactured using 5mm Crystal Ribbed Glass + 1.52mm Interlayer + 5mm Crystal Glass, it features precision fluted lines and a vibrant teal-to-purple ombre finish that creates a unique three-dimensional appearance. The laminated construction enhances safety, durability, and privacy while allowing soft natural light to pass through. Ideal for feature walls, partitions, doors, façades, balustrades, and luxury interior glass wall panels in hotels, offices, retail spaces, restaurants, airports, and premium residential projects.
