Diagonal Two Tone Synthetic Rattan Panel RATTANA -P18DT

Diagonal Two Tone Synthetic Rattan Panel -RATTANA-P18DT is crafted from premium HDPE with an elegant diagonal woven pattern. Lightweight, durable, and low maintenance, it is ideal for wall cladding, partitions, furniture, and decorative interiors. Custom sizes, shapes, and colours are available for residential and commercial projects.

Diagonal Two Tone Synthetic Rattan Panel

Rattana -P18DT

Diagonal Two Tone Synthetic Rattan Panel – RATTANA-P18DT is the natural beauty of woven rattan with the durability of High-Density Polyethylene (HDPE). Its stylish diagonal two-tone weave enhances feature walls, partitions, furniture, and decorative cladding in hotels, restaurants, offices, retail stores, and luxury homes. Lightweight, moisture-resistant, and easy to maintain, the panel is available in custom sizes, shapes, and colours. An optional fire-retardant version is also available, making it a reliable solution for modern residential and commercial interior applications.

Finishes

Diagonal Two Tone Synthetic Rattan Panel – RATTANA-P18DT features an elegant diagonal two-tone woven finish that replicates the natural appearance of rattan. Available in Brown, Yellow, Green, Red, Grey, Dark Brown, and custom colours, the durable HDPE surface offers excellent colour consistency, low maintenance, and long-lasting performance for decorative interior applications.

P18DT-01

Installation Detail

Install the panel on a clean, level, and dry substrate using a suitable construction adhesive, screws, or a concealed fixing system based on the project requirements. The panel can be trimmed and fabricated to fit custom dimensions. Leave appropriate spacing where required for expansion. Installation by experienced professionals is recommended to achieve accurate alignment, secure fixing, and a premium decorative finish.
